
Seven-day word recall log

A blank log for the ten-minute recall routine.

How to use it: choose one letter, do a 60-second cold round on paper or in a practice link, record the score and the main problem, pick five words to learn, and retest on the days shown.

Day	Date	Letter	Cold score	Main problem	Five target words	Recalled after break (of 5)	Yesterday's five recalled (of 5)
